Subject: Groundwater Flow Model Progress Report No. 4
Attachments: red-hill-GW-model-progress-rpt04-rev00_2018-04-05.pdf

Good Morning Erwin,

We have recently received the Navy's 4th groundwater flow model progress report. Unfortunately due to website maintenance we are unable to upload the document to the EPA website at this time. I am attaching the document here for your convenience. Please let me know if you have any issues opening the document.

Best,

Lyndsey Tu
